Ambition

Basics

- ✧ VS Project Template
- ✧ Structure
- ✧ Debugging
- ✧ Async calls
- ✧ Interfaces

Bonus

- ✧ Using 3rd party controls
- ✧ Integrating with other tools
- ✧ Publishing your tool
- ✧ Polishing
- ✧ Branding

The Tool

A Mini CRM 

...just because we can...

- *Select entity
- *Select view
- *Show data
- *Lookup record

Thank You!
